

COMPANY PROFILE · 2026

HK Business *Consultancy*

Building Businesses. Creating Possibilities.

Strategic business solutions for companies, entrepreneurs and investors navigating growth across the UAE and international markets.

UNITED ARAB EMIRATES

INTERNATIONAL

ABOUT US

From coffee conversations to a *global practice.*

HK Business Consultancy was founded by **Habib Koya Marapatta**. What began as informal advice between friends has grown into a Dubai-headquartered firm that brings legal strategy, branding, franchising and operational support together under one roof.

2015

KUWAIT

Coffee conversations

As a Commercial Director, Habib began offering business advice to friends. Their consistent success led them to say:

"Turn your hobby into a profession."

2017

ACROSS BORDERS

Brands, expanding

The advice became a practice — helping brands take their businesses into new markets and across borders.

2021

DUBAI, UAE

Global headquarters

HK established its global headquarters in Dubai, becoming a new-generation firm with legal strategy, branding, franchising and operations under one roof.

Today

UAE & INTERNATIONAL

A trusted growth partner

From launching start-ups to expanding legacy brands, HK remains a trusted partner for businesses at every stage of growth.

I **Experience**

Over three decades of combined business experience across founding, operating, advising and growing companies.

II **A UAE Base**

Rooted in the UAE — one of the world's most dynamic commercial environments and a natural bridge between regions.

III **International Exposure**

Hands-on familiarity with international markets, partners and the expectations of cross-border business.

IV **Long-Term Value**

Advice measured not by activity, but by durable outcomes for the businesses we support.

"We grow when *you grow.*"

HONEST & KEEN · THE HK PHILOSOPHY

And we're just getting started.

HK BUSINESS CONSULTANCY

Where we are going, and *how we get there.*

Vision

WHERE WE ARE GOING

To be the most trusted growth partner for businesses worldwide — empowering ideas, transforming brands, and driving sustainable success through strategic clarity and global insight.

Mission

HOW WE GET THERE

At HK Business Consultancy, we deliver personalised, end-to-end business solutions that combine **legal expertise, brand strategy, franchising and operations.** Guided by trust, innovation and deep regional understanding, we partner with entrepreneurs, investors and legacy brands to help them **launch, scale and thrive** in competitive markets.

GUIDED BY

OUR SERVICES

Building Brands. *Enabling Growth.*

From the first licence to an international rollout, HK supports every stage of a business — under one roof.

01

Business Setup

End-to-end company formation support, including licensing, documentation, compliance and strategic launch.

02

Franchise Development & Expansion

Franchise creation, documentation, brand adaptation and international rollout support.

03

Operational Optimisation

Streamline business systems, SOPs and team training for improved efficiency and scalability.

04

Brand Strategy & Expansion

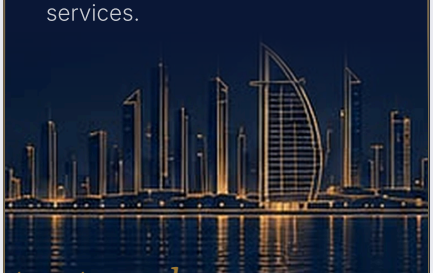

Build a brand that speaks and sells — identity design, market positioning, storytelling and digital presence.

05

Startup Consulting

Without the right planning, even the best products and services won't conquer the market. Establish your venture the right way with our startup consulting services.

One partner, from setup to scale.

AT A GLANCE

A consultancy shaped by *experience.*

30+ Years of combined business experience	**UAE & International** Market exposure
Multiple Industries Across diverse sectors	**Strategic Approach** Built around long-term value

WHY HK

01	Experience	*Decades of commercial exposure.*
02	Perspective	*Local understanding with international outlook.*
03	Relationships	*Connecting businesses, people and opportunities.*
04	Execution	*Turning strategy into practical action.*

INDUSTRIES

Every sector, *one hub.*

Nine industries, turning around one consistent standard of advice.

01 **F&B & Hospitality**
Concepts, operators and brands — from positioning to regional expansion.

02 **Trading**
Commercial strategy, partnerships and market access for trading businesses.

03 **Education**
Bringing structure, planning and market insight to education ventures.

04 **Real Estate**
A commercial perspective on real estate ventures and opportunities.

05 **Retail**
Positioning, market entry and expansion for retail concepts.

06 **Luxury & Fashion**
Discreet, brand-conscious advice for luxury and fashion businesses.

07 **Professional Services**
Growth, structuring and positioning for service-led firms.

08 **Technology**
Helping technology businesses establish and scale in the region.

09 **Investment**
Evaluating opportunities and building the partnerships to realise them.

GLOBAL REACH

The UAE, a gateway to *global opportunity.*

Positioned between East and West, the UAE connects businesses to the Gulf, Europe, Asia and Africa. We help clients use that position deliberately — entering the region, or reaching outward from it.

GCC & Middle East

RIYADH · DOHA · MUSCAT

The immediate neighbourhood: shared commercial culture, close trade corridors and a growing appetite for regional expansion.

Europe & UK

LONDON · ISTANBUL · PARIS

Established brands and investors looking east, and regional businesses building partnerships in European markets.

Asia

MUMBAI · SINGAPORE · HONG KONG

Deep trade ties with the Indian subcontinent and the major commercial centres of South-East and East Asia.

Africa

CAIRO · NAIROBI · JOHANNESBURG

Fast-growing markets where the UAE has long served as a commercial and logistics bridge.

The Americas

NEW YORK · SÃO PAULO

International businesses using the UAE as a base to access the Middle East, Africa and South Asia.

> *A stable, internationally connected base with access to markets across multiple continents.*

SELECTED ENGAGEMENTS

How we *work* with clients.

Representative types of mandate. Detailed case studies are available on request, subject to client confidentiality.

MARKET ENTRY · CROSS-SECTOR 01

Establishing in the UAE

CHALLENGE

An international business assessing how, where and with whom to establish a presence in the UAE.

STRATEGIC APPROACH

Market assessment, structuring options, partner identification and a phased entry roadmap.

OUTCOME

Available on request.

FRANCHISING · F&B & HOSPITALITY 02

Building a franchise model

CHALLENGE

A hospitality concept with regional ambitions, seeking a repeatable model for expansion.

STRATEGIC APPROACH

Franchise readiness review, commercial model design, operating standards and partner criteria.

OUTCOME

Available on request.

CORPORATE & COMMERCIAL ADVISORY 03

Restructuring for growth

CHALLENGE

A growing business whose structure and commercial arrangements had not kept pace with its ambitions.

STRATEGIC APPROACH

Review of structure, governance and commercial terms, with a practical plan for realignment.

OUTCOME

Available on request.

TRADING & INVESTMENT 04

Evaluating an opportunity

CHALLENGE

An investor weighing a commercial opportunity and the partners required to realise it.

STRATEGIC APPROACH

Opportunity assessment, partner evaluation and a structured route to commercial development.

OUTCOME

Available on request.

One conversation, *many capabilities.*

Each engagement draws on the disciplines it needs — strategy, market entry, structuring, franchising, hospitality or investment — brought together around one clear objective.

CONTACT

Let's Build *What's Next.*

Whether you are entering the UAE, expanding an existing business or exploring a new opportunity, let's start the conversation.
